STAT

During our telephone conversation of 30 July 1986, I advised you that you are not eligible to receive SIS back pay because you were an SIS-2 at the time of your retirement and because you retired prior to 1 October 1980. I'm sorry this was not made clear to you in information sent to you previously and that you consequently may have had some expectations of receiving some back pay.

Enclosed for your information is a copy of an "Explanatory Statement on Senior Executive Back Pay," which we received from the Office of Personnel Management (OPM). This statement lists the criteria for determining eligibility to receive SES back pay. We applied these same criteria in determining back pay eligibility for our own senior service members and former members.

If I may be of further assistance, on this or any other matter having to do with your former Agency employment, please do not hesitate to call me on

Sincerely,
